Employment History

Company Name : Opal Financial Group
Position Title : Graphic Consultant
Date Joined : April 2007 to Present

Work Description :

The company is based in New York City that provides and handles conferences in United States and Europe. I work for them as a consultant and produces advertisement designs and layout of the upcoming conferences for print and website use.

Company Name : Major Payment Systems, LLC
Position Title : Creative Director
Date Joined : Feb 2005 to Jan 2007

Work Description :

I worked with Major Payment Systems, LLC as an off-site Creative Director and required to work on the companies design requirements. The company is based in Dallas, Texas. I started as a part-time designer with the company for nine (9) months. I handle the design and maintenance of the company website. Conceptualization and designing of product logos and marketing collaterals like flyers, mail inserts, calling cards, credit and debit cards.

Company Name : GoldQuest Ltd (QuestNet)
Position Title : Graphic Designer
Date Joined : Apr 2003 to Dec 2005

Work Description :

GoldQuest is multi-national company based in Hong Kong and with 7 regional offices in Asia. It is a numismatics company that retails gold commemorative products. I am with the Corporate Affairs Department. I handle the design and conceptualization of marketing materials of the company such as newsletters, posters, flyers, brochures, tarpaulin banners, calling cards, invitations, corporate magazine, display module, etc. Most of the marketing collaterals I make are not only used/distributed in Philippines but also in other representative offices. I also created flash presentations, flash advertisement banners and website designs.

Company Name : Princess Press, Inc.
Position Title : Graphic Artist
Date Joined : May 2002 to Apr 2003

Work Description :

Princess Press, Inc. is a pre-press company that offers color separation for Printing and Publishing Companies. My basic duty here is to prepare the comprehensive files from clients to a final art format. In this

way, we can now print the file to a negative to be used for mass printing process. Here are some of my other duties: photo enhancing (sharpen picture), retouching, design and conceptualization (songhits cover and poster), conversion of comprehensive file to final artwork format and color manipulation.

Company Name : Primegreen Interactive
Position Title : Web Designer
Date Joined : Jan 2002 to May 2002

Work Description :

Primegreen Interactive is a medium sized web development company. Offers web designing, web hosting, domain registration and other web-based services. My role is to design and layout demo websites that will be used as a template design to be offered to the clients.

Company Name : Filipino Web Services, Inc.
Position Title : Web and Graphic Designer
Date Joined : Aug 2001 to Oct 2001

Work Description :

Filipino Web Services is a web development company. My duty is to create the front-end designs of the website following the specifications from the clients and serves as an assistant to the Senior Web Developer.
